4. DOORS

The Tecnam P2012 cabin can accommodate up to eleven occupants: nine passengers and two crewmembers (one crew is considered as minimum crew).

The P2012 general layout of doors is shown in Figure 7-16 and the aircraft is equipped with:

- a front baggage compartment door (left side);
- two front crew doors;
- a main door including passengers and cargo door (upper side of passenger door, functions also as emergency exit);
- one emergency rear door (right side).
