

ABOUT CAPE AIR

Our goal is to get you where you want to be as quickly and easily as possible. Since our first flight between Boston and Provincetown in 1989, Cape Air has provided year-round service to some of the most beautiful destinations in the world.

Shortly after that first flight, we expanded our service across southern New England to Hyannis, Nantucket, New Bedford, Martha's Vineyard and Providence, RI. In 1993, we began offering flights between South Florida and the Keys and in 1998, our Caribbean route took flight. Finally, in 2004 we began service in Micronesia and added two new aircraft to our fleet, ATR 42s. These aircraft served our routes between Guam, Rota and Saipan from 2004 to 2018.

Now, Cape Air operates a fleet of eighty-eight Cessna 402s, with up to 525 flights per day during high season. Last year Cape Air carried over 626,000 passengers, making it one of the largest independent regional airlines in the United States.

Wherever we fly, Cape Air is recognized for our outstanding customer service and convenient hourly flights. We have ticket and baggage agreements with most major airlines which means smooth connections and money-saving joint fares for our passengers.

As an employee owned company, and on behalf of our owners, we hope you enjoy your trip on Cape Air and we aim, as our mantra encourages, to MOCHA HAGoTDI. It means to Make our Customers Happy and Have a Good Time Doing It.

CAPE AIR'S FOUNDER & CEO, DAN WOLF

Daniel A. Wolf founded Cape Air in 1989 with one route between Boston and Provincetown, eight employees and a first-year total of just 8,000 passengers. Today, Cape Air, along with sister airline Nantucket Airlines, is the largest commuter airline in the United States. Cape Air/Nantucket Airlines' fleet of Cessna 402s fly to some of the most beautiful destinations in the world. Cape Air/Nantucket Airlines is partly an employee-owned company with a workforce of approximately 1,000 serving more than 626,000 passengers a year.

Dan's secondary education was at Germantown Friends School in Philadelphia, Pennsylvania followed by a bachelor's degree in Political Philosophy from Wesleyan University in Middletown, Connecticut. At the Quaker School of Aeronautics he received a degree in Airframe and Power Plant Maintenance. He has worked as a community and union organizer in the Boston area and managed the Chatham Municipal Airport, where he also worked as a flight instructor and aircraft mechanic.

Dan continues to stay current with his Air Transport Pilot license and flies as a pilot for Cape Air on weekends when his schedule permits.

As a business and community leader, Dan has served on many of the region's most important non-profit and civic organizations, including the Cape Cod Chamber of Commerce (as President for one term), the Association to Preserve Cape Cod, the Arts Foundation of Cape Cod, the Federal Reserve Bank's board of advisers, and many others. He currently serves on the board of Housing Assistance Corporation of Cape Cod, the executive committee of the Cape Cod Five Cents Savings Bank, the Cape Cod Economic Development Council, and the Cape Cod Business Roundtable. Under Dan's leadership, Cape Air has received recognition for being one of the most philanthropic companies in southeastern Massachusetts.

In November 2010, 2012 and 2014, Dan was elected to the Massachusetts State Senate representing Cape Cod and the Islands. Each term, Dan was appointed as the Senate Chair of the Committee on Labor and Workforce Development, focusing on legislation around labor, workplace safety, and workplace development. As Senator, Dan answered invitations to join policy conversations at The White House, and to speak at the Brookings Institution in DC on campaign finance reform and at the Nuclear Regulatory Commission in Maryland.

Dan resides with his wife, Heidi Schuetz, in Harwich, Massachusetts. He enjoys a morning bike ride daily and traveling to visit his three grown daughters.

CAPE AIR'S PRESIDENT & CAO, Linda Markham

Linda A. Markham is the President and Chief Administrative Officer of Cape Air/Nantucket Airlines, a position she has held since March 2013. Linda has 15 years of financial, operational, planning, and human resources leadership experience with Cape Air/Nantucket Airlines.

Linda serves on the Executive Team and is involved in all company initiatives and decisions. She oversees Human Resources and Ground Training, as well as all Operations, Technology and Distribution, Marketing & Public Relations, Customer Relations, Corporate Culture, Sustainability, Risk Management and Security. Her previous positions with the company include Executive Vice President/Chief Administrative Officer (September 2010 - March 2013), Vice President of Human Resources (2006-2010), Director of Human Resources (2004 - 2006), and Manager of Human Resources (2002 - 2006).

Upon Linda's arrival at Cape Air, the company employed approximately 300 people and served 17 cities. Cape Air now employs over 1,000 people and serves 35 cities in four regions around the world. During her tenure at Cape Air, Linda created a full-service Human Resources department, which includes benefits, payroll, employee relations, labor relations, recruiting and employee travel.

As Vice President of Human Resources Linda oversaw the Ground and Leadership Training department and headed up strategic planning for the company. In addition, she also served on several operational and maintenance committees and taskforces, including Crew Manpower Team, Maintenance Task Force, New Station/Region Startup Team, Customer Service Initiative and Family Assistance Team.

Linda co-founded Cape Air Resources for Employees (CARE) and has been involved in many community activities and events, including Habitat for Humanity and the Pan Mass Challenge. She serves on the board of directors for WE CAN, an organization on Cape Cod committed to empowering and engaging women through mentoring, networking, and advancing educational opportunities. In 2016, Linda was appointed to the board of directors for the Cape Cod Chamber of Commerce.

Linda is the former Chair of the Regional Airline Association, the first female to serve in that role in the organization's 40-year history, and the Vice Chairman of the Board for Women in Aviation, a nonprofit organization that encourages the advancement of women in all aviation career fields and interests.

Linda has a degree in Business and Retail Management from Holyoke Community College and is also a Certified Facilitative Leader. Linda is married and has two daughters and one son. She enjoys running, spending time with her family, cooking, reading, and Cape Cod beaches.
